

Juice & Dye Remover

Carpet & Upholstery Cleaner

DESCRIPTION:

This unique formula quickly and effectively removes natural and artificial (especially red) fruit juices, lip stick, food stains and many other stains from carpet and upholstery.

USES: For use on carpet and upholstery.

DIRECTIONS:

1. Apply Juice & Dye Remover to center of stain.
2. Agitate with carpet spatula or spotting brush.
3. Blot with clean white towel.

DIRECTIONS FOR PERSISTENT STAINS: Heat transfer method
(WARNING: The heat transfer method may lighten or remove weaker carpet dyes)

1. Apply Juice & Dye Remover to center of stain and agitate.
2. Place a wet, white towel directly over stain. NOTE: towel MUST remain damp at all times!!!!
3. Fill iron with water and place on low steam setting. Place iron on towel for 20 seconds. Check for dye transfer on towel. If stain persists, reapply Juice & Dye Remover and repeat steps #1 and #2.
